

## FAI-World Cup F3B 2022

In this year, we had 8 FAI-World Cup-F3B competitions.

2022 compete 106 pilots from 12 nations and 3 Juniors.

The most of the 8 competitions has had around 45 pilots. In Chile was the last Worldcup competition in November. Its very nice, that also in South America the F3B sport is activ.

All competitions went very well and the motivation of organizers and pilots get better after the „Corona- time“. For the coming F3B season, we will have again a new organizer in Belgium. So, **nine (9)** Worldcup competitions plus the Worldchampionship in Denmark will be planned for 2023.

### World Cup final result
