description : (please print)  
Following the suggestion of his father, Manabu HASHIMOTO entered the world of aeromodelling at the age of 12. He participated in the F3C Japan Nationals in 1990 for the first time and won the title of Japan National Champion in 1996. He participated in the F3C World Championships in 1997 and 1999 and won the title of Champion two years in a row. an achievement accomplished by no other competitor. Helicopter aeromodeling is a discipline which requires advanced flying technique and we believe his achievements fully meet the requirements of the Alphonse Penaud Diploma.
