NATIONAL PARAMOTOR REPORT 2012 POLAND

Paramotor sport in Poland is constantly growing. Actual number of valid licences:

- * PF classes 1304 (109 new)
- * PL classes 297 (24 new)

In 2012 there were organised two slalom competition in Poland which gathered 56 and 46 pilots from Poland and from Czech Republic. The interest in precision competition is very dynamic.

Poland declares organisation of 2nd World Paramotor Slalom Championship in 2014, or 2015 depending on a decided calendar.
