

FAI - CASI MEETING 2012

ANNEX 5

Amendment to General Section 3.16.3.2 re Medals

(a) ~~The FAI shall award gold, silver and bronze medals in each World or Continental Region Championship and for the World Air Games.~~

(b) An ASC shall decide whether the gold, silver and bronze medals awarded at any FCE sanctioned by that ASC will be supplied by FAI to the Organiser or, as an alternative, in accordance with that ASC's Medal Policy. Each ASC shall decide whether it will have its own Medal Policy, the details of which shall be determined by the ASC.

~~(c) These Medals will be awarded to competitors placed first, second and third in the overall Championship, including Women's and Junior categories if appropriate. All medals are will be funded from within the ASC concerned. Costs may be passed on to the Organiser's budget if the ASC so decides. If requested by the ASC, FAI gold, silver and bronze medals may also be awarded to all members of teams competing for a single placing (for example, formation skydiving, team racing in aeromodelling, etc). Where teams are based on individual results achieved in the championship, gold, silver and bronze medals may be awarded to the team managers only of such teams placed first, second and third, and, if the ASC decides, smaller FAI Team medals may be awarded to all members of such teams. The large FAI medals for winning teams are to be forwarded by the team manager to the appropriate NAC or other body which the team is representing. An FAI Diploma will be awarded to competitors placed first to tenth. The Organisers may award further prizes at their discretion, and additional diplomas may be awarded where the results for male and female competitors are separate.~~
